ts familiar outline sparks a little frisson of pride in Parisians as soon as they catch sight of it. The Eiffel Tower will be the surprise guest of your intimate stay in the capital, delighting both young and old while providing charming company from sunrise through to midnight, when the great iron lady sparkles in the midnight blue sky.

It's like living a dream in central Paris...

One of the 2-bedroom luxury apartment rentals laid out as a duplex even has its own private terrace with an unbeatable view of the Place du Trocadéro. The Eiffel Tower seems so close from up there that you almost get the impression it is shining just for you! The perfect spot for an aperitif.... In another apartment, the spacious corner living room lined with six picture

windows opens on to one of the finest vantage points in Paris, with the Trocadéro gardens, the Eiffel Tower and the Champ de Mars in the distance. Offering the best imaginable setting for a stay as a family or among friends, for a private or business trip, all the spacious contemporary apartments feature a light and airy atmosphere graced with an understated contemporary décor. Each morning, the housekeeper provides a personalized breakfast, while the other tailor-made services provided by La Réserve - Hotel and Spa enable you to revel in complete freedom...

Entirely at home, with the Eiffel Tower as a neighbor. Free from daily cares, simply feeling good. Allowing yourself to be guided in a discovery of a privileged and intensely private side of Paris. Enjoying behind-the-scenes access to key historical and cultural sites. Organizing exclusive receptions. Spending time as a family or among friends...
